*Celebrating Our Cultures*

June 14-17, 2018

## *County Cultures Display Contest*

This year, the County Fair is celebrating the various cultures that make up our county diverse. We want to feature “your culture” on display at this year’s Fair. Realizing everyone defines culture differently, whether it’s your heritage or the culture of your organization, everyone is encouraged to participate with a display.

To highlight each organization/group/culture we are providing *free* booth space for display. If you have ever been to the State Fair and seen the county displays, we are hoping to have our own SJC version. Groups can set up a display, static or interactive and fairgoers will vote their favorite. **The winner will receive \$500.**

### **Things to Know:**

- Set up can begin as early as Tuesday, June 12 at 8 a.m.
- Tear down must be completed by Tuesday, June 19 at 5 p.m.
- Booths can be static or interactive/staffed. For example: dancers can be part of the display, you can plant seedlings, a coloring/crafting area for kids can be set up
- Food and beverage giveaways are prohibited, other handouts are acceptable and encouraged
- Each fairgoer who enters the building will be given the opportunity to vote. Email addresses and/or phone numbers and different colored ballots daily will ensure each person only votes once per day
- The buildings are open daily until 9 p.m.
- Each group will receive 4 wristbands (good daily for parking and entry) for restocking purposes
